

We are looking for a Pediatric Audiologist!

Job entails:

- Diagnostic pediatric audiology testing
- BAHA and cochlear implant candidacy testing and follow up
- Pediatric hearing aid evaluations and fittings
- Auditory Brainstem Response (ABR) testing
- Follow up of failed Universal Newborn Hearing Screening testing
- **Tons of fun and opportunity to grow**

Location: Augusta, Georgia (Home of the Masters Golf Tournament)

Perks: Awesome work team, great benefits, family friendly environment, amazing patients

Requirements: Masters or Doctorate of Audiology

Please email Sarah King, AuD if interested (sarking@augusta.edu).
