Join Us for the CMV Public Health & Policy Conference September 26-27, 2014 Salt Lake City, Utah

The last international CMV conference was in 2012 and a lot has changed with research, policy, and practice since then. Come hear the latest!

The goal of the CMV conference is to present the latest research on diagnosis and treatment, raise awareness, delineate prevention efforts, provide information about early intervention options, and disseminate family support resources in an effort to reduce the number of babies born with CMV and connect families affected by CMV with the resources they need to improve their quality of life.

Who Should Attend:

- Clinicians
- Researchers
- Public Health
- University Faculty
- Childcare Providers
- Parents
- Students
- Non-profits

Scientific Advisory Panel:

Dr. Jim Bale
Dr. Michael Cannon
Dr. Gail Demmler
Dr. David Kimberlin
Dr. Albert Park
Dr. Lenore Pereira
Dr. Stanley Plotkin
Dr. Rosemary Thackeray
Dr. Karl White

Conference Partners:

Never doubt that a small group of thoughtful, committed citizens can change the world; indeed it is the only thing that ever has.

---Margaret Meade

Attendees are from 31 of 50 states within the USA and 13 different countries

Attendees identify themselves as:

- 13 Advocacy Group Members
- 41 Audiologists
- 21 Early Intervention Providers
