

[Utah Code](#)[Title 26](#) Utah Health Code[Chapter 10](#) Family Health Services**Section 6** Testing of newborn infants.**26-10-6. Testing of newborn infants.**

(1) Except in the case where parents object on the grounds that they are members of a specified, well-recognized religious organization whose teachings are contrary to the tests required by this section, each newborn infant shall be tested for:

- (a) phenylketonuria (PKU);
- (b) other metabolic diseases which may result in mental retardation or brain damage and for which:
 - (i) a preventive measure or treatment is available; and
 - (ii) there exists a reliable laboratory diagnostic test method; and
- (c) (i) beginning July 1, 1998, for an infant born in a hospital with 100 or more live births annually, hearing loss; and
- (ii) beginning July 1, 1999, for an infant born in a setting other than a hospital with 100 or more live births annually, hearing loss.

(2) In accordance with Section **26-1-6**, the department may charge fees for:

- (a) materials supplied by the department to conduct tests required under Subsection (1);
- (b) tests required under Subsection (1) conducted by the department;
- (c) laboratory analyses by the department of tests conducted under Subsection (1); and
- (d) the administrative cost of follow-up contacts with the parents or guardians of tested infants.

(3) Tests for hearing loss under Subsection (1) shall be based on one or more methods approved by the Newborn Hearing Screening Committee, including:

- (a) auditory brainstem response;
- (b) automated auditory brainstem response; and
- (c) evoked otoacoustic emissions.

(4) Results of tests for hearing loss under Subsection (1) shall be reported to:

- (a) parents when results of tests for hearing loss under Subsection (1) suggest that additional diagnostic procedures or medical interventions are necessary; and
- (b) the department.

(5) (a) There is established the Newborn Hearing Screening Committee.

(b) The committee shall advise the department on:

- (i) the validity and cost of newborn infant hearing loss testing procedures; and
- (ii) rules promulgated by the department to implement this section.

(c) The committee shall be composed of at least 11 members appointed by the executive director, including:

- (i) one representative of the health insurance industry;
- (ii) one pediatrician;
- (iii) one family practitioner;
- (iv) one ear, nose, and throat specialist nominated by the Utah Medical Association;
- (v) two audiologists nominated by the Utah Speech-Language-Hearing Association;
- (vi) one representative of hospital neonatal nurseries;
- (vii) one representative of the Early Intervention Baby Watch Program administered by the department;
- (viii) one public health nurse;
- (ix) one consumer; and
- (x) the executive director or his designee.

(d) Of the initial members of the committee, the executive director shall appoint as nearly as possible half to two-year terms and half to four-year terms. Thereafter, appointments shall be for four-year terms except:

(i) for those members who have been appointed to complete an unexpired term; and

(ii) as necessary to ensure that as nearly as possible the terms of half the appointments expire every two years.

(e) A majority of the members constitute a quorum and a vote of the majority of the members present constitutes an action of the committee.

(f) The committee shall appoint a chairman from its membership.

(g) The committee shall meet at least quarterly.

(h) A member may not receive compensation or benefits for the member's service, but may receive per diem and travel expenses in accordance with:

(i) Section **63A-3-106**;

(ii) Section **63A-3-107**; and

(iii) rules made by the Division of Finance pursuant to Sections **63A-3-106** and **63A-3-107**.

(i) The department shall provide staff for the committee.
