

2007 Annual Early Hearing Detection & Intervention (EHDI) Conference

Hotel Availability

If you are having trouble getting a room in the EHDI Conference room block for the night of Tuesday, March 27, you can try going directly to the hotel website:

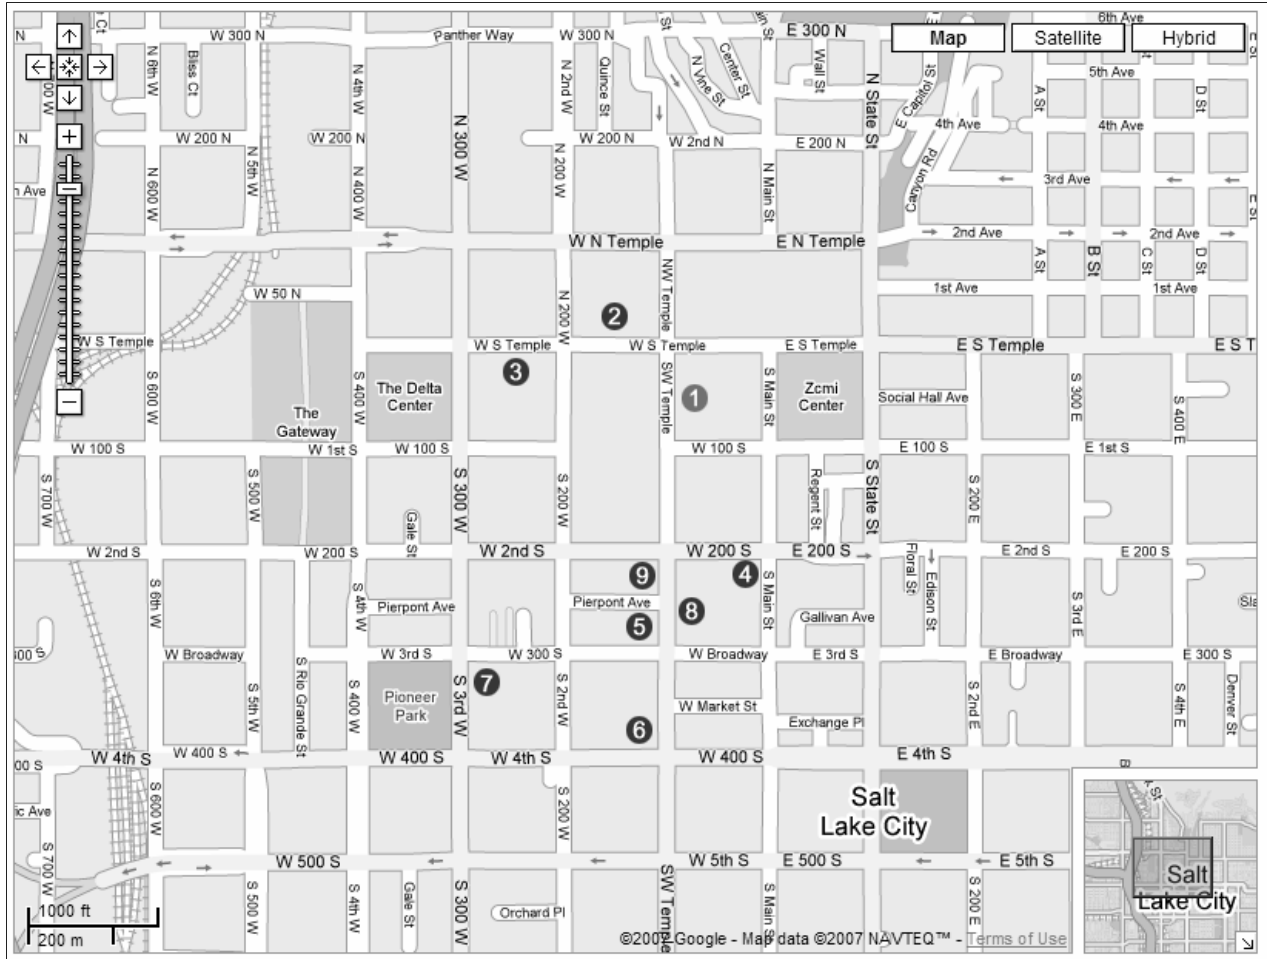

<http://marriott.com/property/propertypage/SLCUT>

There are several discounted rates available. The government rate for that night is currently \$90. For those who have a room reserved at a higher rate, the hotel can change your reservation to this rate or you can cancel that reservation and reserve on-line at the better rate.

Below is a map of downtown Salt Lake City indicating some of the hotels in close proximity to the EHDI Conference. All hotels are within 4 blocks of the conference. If you are having trouble getting into the EHDI Conference room block, these hotels had rooms available as of 31 January 2007 (see map below for location of hotels).
