

4th Annual Coalition for Global Hearing Health

May 3-4, 2013

Hosted by the Vanderbilt Bill Wilkerson Center for Otolaryngology and Communication Sciences, Nashville, TN.

- Connect with hearing health professionals from around the world through annual meetings and network opportunities.
- Get updated on the latest affordable hearing technology and telemedicine for hearing health.
- Learn about opportunities to advocate for hearing loss as a public health priority.
- Help develop models for community centered care, best practices in developing countries and professional training.

Making Hearing Health a Global Priority
