

# NRTRC Announces "Open Mic Forum"

Telemedicine: National trends,  
Reimbursement,  
and How You Can Help

**Wednesday, December 1st, 2010**

11am AK | 12pm Pacific | 1pm Mountain | 2pm Central | 3pm Eastern

**Registration:** [Click here](#)

If you have trouble with the link you can contact Sara Rivera at [sara@nrtrc.org](mailto:sara@nrtrc.org) to register.

**Format:** Interactive Web-Conference

The **NRTRC**, in partnership with the **Regional Telestroke Initiative**, is excited to invite you to a series of "Open Mic" forums for our members. With an unprecedented level of telehealth activities & funding opportunities, a number of persistent barriers are limiting potential growth in the delivery of clinical services.

This is an opportunity to:

- Understand national trends around telemedicine and telestroke
- Understand reimbursement processes and issues
- Learn how to get involved

## Presentation by:

*Jon Linkous*

*CEO, American  
Telemedicine  
Association*

Jon Linkous is the Chief Executive Officer of the American Telemedicine Association (ATA), the largest membership-based organization in the world focusing exclusively on providing health and medical care through telecommunications technology. ATA's annual meeting and trade show are among the fastest growing in the country. The Association advocates for changes in public laws that promote the deployment of telemedicine throughout the world.

As the chief staff executive of ATA, Mr. Linkous has spoken and written extensively in the U.S. and in other countries on policy issues, emerging applications and market trends affecting telemedicine. Mr. Linkous has over 20 years experience in the nation's capital working in corporate and public sectors.
