

# Michigan Stakeholder Agenda

National EHDI Conference March 2021

March 5, 2021 – 11am-12pm

**Welcome and Introductions:** Nick

**Vision and Goals:** Nick

The 1/3/6 Goals for EHDI include:

- "1" - All infants are [screened](#) for hearing loss no later than **1 month** of age, preferably before hospital discharge
- "3" - All infants who do not pass the screening will have a [diagnostic](#) hearing evaluation no later than **3 months** of age
- "6" - All infants with a hearing loss are enrolled in [early intervention](#) services no later than **6 months** of age

Two family objectives:

- a. Families enrolled in family-to-family support services by no later than 6 months of age
- b. Families enrolled in adult-to-family support services by no later than 9 months of age.

**For Reference- Michigan EHDI Update:** Nick

Discussion: Guided by Shelly Schindler Au.D., EHDI Regional Audiology Consultant

1. Given the sessions you attended, what ideas should we investigate or apply to our state?
2. Has the conference highlighted any areas of EHDI that Michigan can be a model for other states?
3. Are there any trends or movements for EHDI programs throughout the country?
