DEPUTY COMMISSIONER
FAMILY HEALTH SERVICES

Oklahoma

Wording of the section permitting the sharing of audiologic information between the EHDI program and the early intervention program found in the *Contract for Services and Interagency Agreement* between the Oklahoma State Department of Health and the Oklahoma State Department of Education.

Relevant Section: Item 17 on Page 5 of the *Contract*

17. make available to OSDH all data and information collected and maintained by OSDE for each infant and toddler and their family receiving early intervention services necessary to comply with OSDH's planning, service delivery and evaluation responsibilities under federal and state law, including the Oklahoma Newborn Infant Hearing Screening Act, and this agreement, provided that nothing herein shall relieve either agency of its responsibility to maintain the confidentiality of all early intervention information.
